## **Owner Must:**

- ✓ Supply fly spray on stall door or by field
- ✓ Supply supplements
- ✓ Leave note on board when horse is removed from property and when it will be returned
- ✓ Locate and/or replace missing halters, fly mask, muzzles, boots, etc.
- ✓ Not loan or borrow tack, medicine or supplies.
- ✓ Clean up horse droppings before leaving after visit
- ✓ Portion out diets that are not standard barn ingredients
- ✓ Close doors to tack and feed room before leaving
- ✓ Close all gates before leaving

If an owner leaves or switches class of boarding, returning or switching back is at existing rates and availability.

All new horses must be up-to-date with shots and worming and will be quarantined for two weeks from arrival date.
