- Bandaging & Medicines (clear written directions) \$10 per day  
(Owner Supplies Medicine & Materials)
- 24 Hour Stall Rest (stall or pasture boarders) \$10 per day plus board
- Blacksmith, Veterinarian or Dental Holding Fee \$10 per horse per event
- Temporary Stall Rental for Guests \$15 (day & night) , \$10 (day only)  
(guest provides grain & hay)
- Increased portions of Grain (quart Increments) \$30 per month
- Exercise Sessions \$10 per 15 minute increments

## **Owner required to:**

- ✓ Supply fly spray on stall door
- ✓ Supply any feed supplements
- ✓ Leave note on stall door if horse is removed from property as to why and when it will return
- ✓ Locate and/or replace any missing halters, fly masks, muzzles, boots, etc.
- ✓ Not loan or borrow tack, medicine or supplies
- ✓ Clean up horse droppings in stall or aisles when leaving the barn
- ✓ Clean-up after farrier
- ✓ Close doors to tack room, feed room and all gates before leaving
- ✓ Supply an Annual Coggins and Liability Release form

If an owner leaves or switches class of boarding, returning or switching back is at existing rates and availability. All new horses must be up-to-date with shots and worming and will be quarantined for two weeks from arrival.

## **Stable Services Provided:**

- ✓ All feed buckets are rinsed after each feeding
- ✓ Fresh water daily
- ✓ Stalls cleaned daily
- ✓ Wellness check performed twice a day – Stall & Pasture horses  
(Owner notified ASAP of any condition not considered normal)
- ✓ All horses fed one quart of Southern States Reliance twice a day
- ✓ Digestive portions of hay provided in all stalls for stall board customers
- ✓ Hay provided in all pastures
- ✓ Run-ins provided and cleaned once a week
- ✓ Fans turned on in summer when horses are in stall
- ✓ One tack space provided for each horse boarded
- ✓ Water tubs filled daily and scrubbed weekly
- ✓ Turnout schedule for stall boarders as directed by owner
- ✓ Mineral salt blocks in each stall
- ✓ Mineral salt blocks in pastures
- ✓ Owner provided supplements added to feed at no charge
- ✓ Fences are checked daily for hot wire current. (Deer have periodically knocked down our fences)  
Use caution when approaching fences.
